

Boat Stickers

Check “Yes” if you will be operating any floating watercraft this season. You will be issued one set of two stickers. The stickers will have your guide number printed on them and the current year tag affixed. The official watercraft rule is listed below.

8.39.419 WATERCRAFT IDENTIFICATION (1) A person holding a valid outfitter, professional guide or guide license who utilizes any type of watercraft while providing services shall prove evidence of licensure by displaying a Montana board of outfitters issued license tag on each watercraft to be occupied by the licensee.

(2) The tag shall display the outfitter, professional guide or guide license number for identification purposes.

(3) The tag shall be effective for one calendar year.

(4) The tag shall be affixed to either side of the bow or at the oarlock or stern of the watercraft and be of a size so that it may be easily seen from another watercraft or from shore.

(5) The tag shall be affixed to the watercraft on a removable plaque or in such a way that if the craft is sold or is not being used by the licensee while the licensee is providing services, the tag may be removed or concealed to prevent misidentification of the occupant(s) as licensees.
